NOViA Montessori Explorer Journey

We welcome you to the Montessori Introduction Journey, a real-life course of 5 days in Amsterdam, The Netherlands. This is a journey to explore, to learn about Maria Montessori, her pedagogy, her materials, her life. A journey to observe in working Montessori class rooms, to travel through the city of Amsterdam, and the Netherlands. A journey to connect with fellow Montessori travelers and to enrich yourself. When you have completed the Montessori Explorer Journey, you will be an educator able to work in the Montessori style.

Before the journey starts

We meet each other online, one hour.

You get free access to the online journeys. By diving into the content you will be inspired, you start to read, to listen, to look at and you will get a lot of practical ideas.

You experience:

Daily course from at a typical historical place. From monday afternoon until friday noon.

Three classroom observations in a working Montessori school.

Visit to the original home and office of Dr Maria Montessori.

Visit to the grave of Dr. Maria Montessori or the Nienhuis showroom of Materials.

Visit to the Anne Frank House, related to the Montessori education.

You explore

Daily talk about the basic Montessori Education. Subjects to be discussed are:

Pedagogical starting points, planes of development, the prepared environment, characteristics of the montessori teacher, observation, the life and legacy of Dr. Maria Montessori.
