NOViA Montessori Journey on location

We welcome you to the Montessori Journey on location, a real-life course for you, on your location. Are you an interested school, open to begin working in the Montessori style? Join the journey. Are you an experienced Montessori school and do you need some refreshing? Join the journey? Do you want to be introduced in the Montessori style, looking to deepen your knowledge, or seeking for knowledge a specific aspect of Montessori, like the mathematical or cosmic education? Join the journey.

The journey is always tailored fit for you, Montessori traveler.

This journey is open to groups, with a minimum of 10 and a maximum of 20 participants.

You find out

You will learn, connect, experience and enrich yourself.

We connect the words from Maria Montessori to the modern time, to this time. And to your own practice. You find out your own personal Montessori style.

Before the journey starts

We meet each other online, one hour.

You get free access to the online journeys. By diving into the content, you will be inspired, you start to read, to listen, to look at and you will get a lot of practical ideas.

You experience

Daily Montessori course.

Practical work.

Inspiration for your own classroom.

Personal coaching for every participant.

NOViA

To Connect and Enrich Montessori Communities

Deep reflection on your own Montessori style.

You explore

From theory to practice: how to integrate the Montessori style in your own classroom? In powerful conversations we relate the theory to your own practice, your class room, your school and explore what you can practice in your own group. Which Montessori words do you take with you? And how?

You receive

After the registration you receive

- an invitation to a dropbox account, containing all information you will need for the journey.

- an invitation to join the online journeys, some typical Montessori words. Feel free to walk around, to search what you like. It will be used during the Journey.

At the end of the journey, you earn a certificate stating

Montessori Journey on Location

Study load and title depending on the length and subject.

Who do you meet?

You are guided by our Montessori guides, experts in training and with more than 25 years of Montessori experience.

What is your input:

Define what you need. Choose a week (5 days), a long weekend (Friday-Monday), or more moments during the year.

Send us an e-mail: info@novia-montessori.com. You receive an invitation for a ZOOM-meeting to determine your wishes, situation and needs.
